How reproducible:

Steps to Reproduce:

1. The sync plan start time says "Start Time (GMT)" (see screenshot) but it accepts and processes my time as EDT

Actual results:

The UI says it accepts the time as GMT but it really processes my time as EDT

Expected results:

Perhaps remove (GMT) from UI?

Additional info:

Associated revisions

Revision 275c9fc9 - 08/26/2014 03:32 PM - Walden Raines

Fixes #7270/BZ1131661: remove GMT from new sync plan form.

Sync plan start time was listed as being in GMT and this is not the case. This commit removes the timezone designation.
