

Foreman - Bug #775

The external nodes YAML link should be clickable for a non-admin user in Host/View

03/22/2011 02:46 PM - Bash Shell

Status: Closed	
Priority: Normal	
Assignee: Ohad Levy	
Category: External Nodes	
Target version: 0.3	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
The external nodes YAML link is disabled for a non-admin user in Hosts/View.	
This is not needed as the URL can be pasted in the address bar, or used from curl/wget/etc	
The link should be shown for a non-admin user, unless there is a need not to do so?
