Foreman - Bug #7769

Negative number of hosts

10/01/2014 06:07 PM - Spencer Owen

Status:	Duplicate

Pull request:			

Description

I added two hosts to foreman for testing.

I shut one host down, and 'deleted' it from the foreman.

The other host is still present, but is reporting errors.

When I look at the 'hosts' page, it shows that I have -1 hosts. This seems like a bug.

Screenshots attached.
