

Foreman - Bug #784

The HOST flash runtime_graph disappears when you have a failed report

03/24/2011 08:59 AM - Marcello de Sousa

Status: Closed	
Priority: Normal	
Assignee: Ohad Levy	
Category: Puppet Reports	
Target version: 0.2	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
To reproduce it: 1- The host has everything normal and you can see the graph. 2- I've forced an error with puppet: <pre>err: Could not run Puppet configuration client: Could not find dependency Class ...etcetc..</pre>	
3- Within the HOST page (in Foreman) for this machine you can't see the flash runtime_graph anymore.
