| Description | | |
| Foreman API documentation should be improved : * The functions parameters description should be detailed * Mark mandatory / non mandatory parameters * Add more usage examples | | |

History

#1 - 07/24/2012 04:22 AM - Ohad Levy

- Status changed from New to Resolved
- Target version set to 1.1

this is now actually resolved as we started to use the [apipie](#) gem to auto generate API/SDK/CLI
