

Foreman - Bug #788

API documentation need to be improved

03/24/2011 03:53 PM - Oded Ramraz

Status: Resolved	
Priority: Normal	
Assignee: Ohad Levy	
Category: API	
Target version: 1.1	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
Foreman API documentation should be improved : * The functions parameters description should be detailed * Mark mandatory / non mandatory parameters * Add more usage examples	

History

#1 - 07/24/2012 04:22 AM - Ohad Levy

- Status changed from New to Resolved

- Target version set to 1.1

this is now actually resolved as we started to use the [apipie](#) gem to auto generate API/SDK/CLI
