

## Foreman - Bug #791

### Foreman starts itself unexpectedly as a service even when you use passenger

03/25/2011 09:41 AM - Marcello de Sousa

<b>Pull request:</b>	
<b>Description</b>	
In an RPM foreman installation, logrotate will start foreman's /etc/init.d/foreman service script even when you don't want (when you run it with passenger for example).	
The suggested solution is to add a "condrestart" to the startup script and modify logrotate.	
Patches:
