Smart Proxy - Bug #845

Puppet and puppetca operations do not return NOTFOUND

04/14/2011 10:24 AM - Paul Kelly

Status:	Closed

Pull request:			

Description

Foreman checks for and discards NOTFOUND error conditions when deleting autosign or certificates for a host.
The smart proxy does not differentiate this condition and in earlier versions of puppetca removing a non-existant certificate generates an error.

Associated revisions

Revision 171baf6a - 05/11/2011 02:12 AM - Paul Kelly

Fixes #845 - puppetca delete operations should report NotFound

Foreman does not consider this an error and checks for it
