Replacing may not be the best option, it might be better to submit pull requests and get them fixed up. For instance, spice-html5-rails was maintained by Amos, who would probably be happy to release a new version or co-maintain it. pwstrength was made into a gem by Vanya for OPW, so she might be willing to update it too. etc...

#3 - 01/07/2015 06:57 AM - Tom Caspy

- Status changed from New to Ready For Testing

#4 - 12/18/2015 05:05 AM - Dominic Cleal

- Status changed from Ready For Testing to Resolved

Gems were updated in [#7230](#).
