<b>Description</b>	
Smart proxy does not load (/find) the files under settings.d

#### Associated revisions

Revision e2ce2a05 - 12/30/2014 07:57 AM - Shlomi Zadok

fixes #8811 - refactor per-module enabling of http(s) to http(s)\_rackup

## History

---

### #1 - 12/30/2014 01:58 AM - Shlomi Zadok

The main issue is that I have a dhcp.yml with the following config:

```
---
# Can be true, false, or http/https to enable just one of the protocols
:enabled: true

# valid vendors:
#   - isc
#   - native_ms (Microsoft native implementation)
#   - virsh (simple implementation for libvirt)
:dhcp_vendor: virsh
```

Yet smart proxy loads with its default config:

```
'dhcp' settings were initialized with default values: :dhcp_provider: isc
```

### #2 - 12/30/2014 05:00 AM - The Foreman Bot

- Status changed from *New* to *Ready For Testing*
- Pull request <https://github.com/theforeman/smart-proxy/pull/243> added
- Pull request deleted ()

### #3 - 12/30/2014 08:03 AM - Shlomi Zadok

- Status changed from *Ready For Testing* to *Closed*
- % Done changed from 0 to 100

Applied in changeset [e2ce2a054ebfed11c294aa59e3bb3b4c1d0dd0c0](#).

### #4 - 12/30/2014 09:33 AM - Anonymous

- Has duplicate Bug #8806: *systest\_foreman failing* added

### #5 - 01/02/2015 03:22 AM - Dominic Cleal

- Assignee set to *Shlomi Zadok*
- translation missing: *en.field\_release* set to 28
