

Foreman - Bug #9014

autocompleter search on facts shows _timestamp fact

01/18/2015 07:11 AM - Ohad Levy

<div>Status:New</div> <div>Priority:Normal</div> <div>Assignee:</div> <div>Category:</div> <div>Target version:</div> <div>Difficulty:</div> <div>Triaged:</div> <div>Bugzilla link:</div> <div>Pull request:</div>	<div>Fixed in Releases:</div> <div>Found in Releases:</div> <div>Red Hat JIRA:</div>
<div>Description</div> <div>when setting a discovery rule search filter, the timestamp fact is being suggested. e.g. "facts._timestamp"</div>	

History

#1 - 01/18/2015 08:01 AM - Ohad Levy

- Project changed from Discovery to Foreman
- Subject changed from discovery rules show timefact search to autocompleter search on facts shows _timestamp fact
- Category deleted (Discovery plugin)

everywhere where using auto completer for facts (hosts, facts mail and permissions filters) allows to use the "_timestamp" fact.

I would either remove it from the DB or ensures that its not visible, its pretty annoying, as its always the first suggestion.
