<b>Description</b>		
<p>Recently <a href="https://github.com/theforeman/community-templates/pull/107">https://github.com/theforeman/community-templates/pull/107</a> was merged into community templates. Unfortunately big networking changes that were merged in <a href="https://github.com/theforeman/foreman/pull/1988">https://github.com/theforeman/foreman/pull/1988</a> also recently are incompatible. The template should be fixed to support both versions.</p> <p>Setting release to 1.8.0 since I think this is a blocker.</p>
