

## Foreman - Bug #9811

### smart variable should have default value for parameter type

03/18/2015 10:37 AM - Martin Bacovsky

<b>Status:</b> New	
<b>Priority:</b> Low	
<b>Assignee:</b>	
<b>Category:</b> API	
<b>Target version:</b>	
<b>Difficulty:</b>	<b>Fixed in Releases:</b>

<b>Pull request:</b>	
<b>Description</b>	
<p>Currently smart variables created via API has paramater_type unset when not explicitly specified. Smart vars created in UI has parameter type set to 'string' by default.</p> <p>Other option is to make parameter_type required, but that would break V2 compatibility.</p>
