Foreman - Bug #9942

"Generated at" date/timestamp is not localised

03/30/2015 06:24 AM - Dominic Cleal

Description

The dashboard timestamp ("Generated at: ...") is not localised, but should be.

With a Japanese locale selected, it says: □□□: 30 Mar 04:18 rather than the Japanese equivalent (year/month/day and translated). It should be using the locale data from config/locales/ja.yml automatically.
